Pinding the Job Hunter.

Representative Summers, of Texas, seidom tells an old story. So when, recently, he told an exceedingly antiquated yarn, several friends who were with him were greatly surprised. One man in the crowd, however, laughed uproariously at the old story.

After the crowd had dispersed one of Summer's friends asked him why it was that he spun such an archaic taile.

"I knew there was a fellow in that

Wealthy Speculator Buys Building and Marks Up Figures
Extravagantly.

THE HAGUE, May 15.—The new American minister to the Netherlands, William Phillips, considers himself a victim of an instance of profiteering in rent. A wealthy speculator has purchased the commodious building which for a long time was occupied by the American legation and has notified the American diplomats that they will either have to pay a greatly increased rent or move out.

The American charge, Mr. Gunther, has been seeking new quarters, but has been handicapped by failure of the American government to provide for the purchase of a legation building.

Extraordinary Curative Power of Lydia E. Pinkham's Vegetable Compound.

terrible and the doctor's medicine did me no good at all—my pains got worse instead of hetter. I began taking the Vegetathle Compound and felt a change from the first. Now I feel fine and advise any one going through the Change of Life to try it, for it cured me after I had given up all hopes of getting better. You can publish this and I will tell any one who writes to me the goof it has done me."—Mrs. Mabgarer Danz, 1525 N. Alder St., Phila., Fa.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relicted more suffering among women than any other medicine in the world.
